

A wide-angle photograph of a city skyline at dusk. The sky is a pale, hazy blue with a small, bright moon visible in the upper left. The city features several tall, modern buildings with glass facades that reflect the ambient light. On the right side, a large construction site is visible, with several tall cranes and a building under construction. In the foreground, a body of water reflects the city lights, and a metal railing with lifebuoys runs along the edge. A few people are visible walking along the waterfront. The text 'THANK YOU.' is overlaid in large, white, sans-serif capital letters across the center of the image.

THANK YOU.
